The Pastoral Centre is based in a fine old Georgian House set in 18 acres of attractive grounds in a lovely part of Hampshire.

There is residential accommodation for up to 66 people, with additional facilities for young people. About half the accommodation is en-suite which will be allocated on a 'first come first served basis' (an encouragement to book early!).

Accessibility

The main areas are fully accessible and those with mobility problems will be allocated suitable accommodation.

Children and Young People

Children and families will be most welcome and, as in previous years all under 18 year olds to attend free of charge. Some activities will be suitable for people of all ages, and there will be some sessions especially for 12s and under.

Programme

The programme will be similar to previous events, providing a thought-provoking, enjoyable, and varied weekend. The core of the programme will be four sessions when you choose from a variety of options.

The theme is Quaker Faith & Practice 10.1, 'Our life is love, and peace, and tenderness, and bearing one with another, and not laying accusations one against another; but praying for one another, and helping one another up with a tender hand'. Some sessions will be creative and others of a practical nature.

On Friday we shall settle in, have supper followed by a plenary session with 'getting to know you' activities.

Saturday contains three of the group sessions - in the morning and late afternoon. Early Saturday afternoon there is free time, with some optional activities arranged, such as a walk in the surrounding countryside, music making, helping in the grounds or rehearsing for the evening's entertainment.'

On Saturday evening the main event will be a repeat of our successful Q-factor, entertainment provided by anyone who chooses.'

On Sunday there will be the last group session followed by the main meeting for worship later in the morning. We shall have a time of sharing after lunch to sum up the weekend.

Some of the group activities we are planning to include are:

Labyrinth	Experiment with Light
Journaling	Exploring QF&P 10:01
The Toy Symphony	Mindfulness
Art on a brick	Life Stories
Quaker Gender and Sexual Diversity Community	Our relationship with the environment
Living Well Stories	Refugees and Asylum Seekers
Cindylou tells stories	End of life issues
